

## Hedman HE-1600 Check Audit System

### *Ease of Operation*

- The fluorescent display guides operators, speeds processing, eliminates errors and prevents check waste.
- Processes documents for 4 separate disbursement accounts allowing for different size and style documents.
- Three different reports list, summarize and total all transactions for simplified reconciliation.
- The system is easily programmed to print amounts, dates and signatures virtually anywhere on single or multi-part forms up to 9.5" W x 16.5" L.
- For Non Disbursements activities, the programmable "sign only" option allows for easy, secured signature generation without the use of protected amounts or date.
